Outreach and Proclamation

Week of January 16-21, 2006

We will be hosting many outreach opportunities during Sanctity of Human Life Week, the week of January 16-21, 2006. This will be a time for you to Cry Out for the Speechless in the Roseville area. These proclamations will speak the truth in love and will contrast the real face of "reproductive choice" promoted and carried forth by Planned Parenthood in Roseville, with the beauty of life created in God's image.

We invite you to also visit and pray in our Field of Crosses in front of Foothill Community Church. The crosses will be on display the week of January 16, 2006. Last year many found healing as they walked and prayed in the field of crosses.

The silence is killing us...

PROJECT 33
one third of our generation is
MISSING

Project 33: Cry out for the speechless

“Open your mouth for the speechless, in the cause of all who are appointed to die.” Proverbs 31:8

Why Project 33?

Project 33 stands for the 33% of the younger generation (46 million babies) that has been aborted since 1973 when the U.S. Supreme Court, in rebellion against the Law of Almighty God, ruled that children in the womb are not fully human and therefore not entitled to the protection of the laws of our land. This makes the German holocaust numbers seem small. We must speak and act. Christians must expose evil (Eph. 5:11) “... Silence in the face of evil is evil itself. God will not hold us guiltless, not to speak is to speak, not to act is to act.” *Dietrich Boenhoffer, a German pastor who stood against the Nazis.*

.....

Our Goal:

We pray that Project 33 will memorialize the lost; offer hope, healing and reconciliation to those who have made abortion decisions; equip the saints for pro-life ministry; and awaken our community to raise a moral outcry to end the shedding of innocent blood in our city and nation. Many churches and their congregations will participate in these events.

Hope and Healing

Memorial Service — 7:00 PM, Friday, January 20, 2005 at Foothill Community Church (all are invited).

The Alternatives Pregnancy Resource Center and Foothill Community Church have come together to host a memorial service that will feature inspiring music, prayer by several area pastors, and the testimonies of post-abortive women who have received hope and healing through Christ centered ministry. Remembering and mourning is a key to finding hope, help, and healing. A candlelight prayer walk through the field of crosses will follow the service.

Education and Equipping Youth

Redeeming the Abortion Generation

Youth Assembly — 1:30-3:30 PM Sat., January 21, 2006 at Foothill Community Church (all are invited).

Christian youth mentor and keynote speaker Michael Spielman, 29-year-old founder of Abort 73 (www.abort73.com) will share how God has moved him to a vision for a dynamic plan of action by youth in our schools. We will also feature pro-life youth ministries describing exciting and powerful ways young people can get involved. Please visit www.Project33.org for the complete schedule.
